INTRO:
A2
D2                D2               G2              D2
A2

1. Come you who are weary, Come you who are strong
G2                                          D2
Take in His wondrous glory, and dance the freedom song
A2
Everything revolves here around His holy name
G2                                          D2
And after you have been here, you'll never be the same…

F#m                              A2
CHORUS: Come one, come all, to the presence of our God
F#m                           F#m/E                          D2
This is where all hope and peace and joy are found
F#m                                         A2
Come taste and see, we've been summoned by the King
F#m                           F#m/E                     D2
Enter in and place your feet on holy ground.

A2
2. Come you who are searching, Come you who are saved
G2                                          D2
Embrace the gift of mercy, Embrace the gift of grace
A2
Enter all you nations, Worship at His throne
G2                                          D2
Glorify the wonder Of Christ and Christ a – lone…

CHORUS

BRIDGE:
